

Port of Oakland

January 26, 2012
Thursday
7:00 am - 8:30 am

Francesco's Restaurant
8520 Pardee Drive
Hegenberger & Pardee, Oakland

Chris Chan, Director of Engineering

Chris Chan, Port of Oakland Director of Engineering. Recently appointed in December 2011, Mr. Chan is responsible for the operation and management of Engineering Division. He will provide his vision of the Port, discuss the Shore Power project updates, and any upcoming project opportunities.

Breakfast of Champions provides a East Bay forum for environmental, planning, design, construction, construction management and related professionals to network. It is a volunteer, not-for-profit organization.

RSVP by Monday, January 23 by email or website (www.oaklandboc.com).
